GEM DANDY
ELECTRIC CHURN

Deluxe Model-Redmond Special (without jar) . . 18.63
(Suggested retail . . 27.95)

The nationally advertised Gem Dandy Deluxe Electric Churn is the world's most popular electric churn! Already in use on millions of electrified farms. Every farmer with one or more cows is a potential customer! Churns 15% more butter and better butter in 15 minutes! Redmond Special motor fully guaranteed 18 months. Vinyl-lined aluminum cover prevents vibration. Adjustable aluminum dasher, new efficient agitator. Sanitary, easy to clean. Churns up to 4½ gallons at one time. May be used with matching Gem Dandy Duraglas jar or with the farmer's own crock. Shipping weight, 7 lbs.

Also Available:

Standard Model-Redmond Special with black motor, aluminum handle. 4-prong motor-base with rubber supports; extra agitator. Use with crock or jar. Shipping weight, 7 lbs. Without jar **16.77**
(Suggested retail . . 23.95)

4-Qt-A-Deluxe Jr. with new aluminum handle, new cloverleaf dasher. Complete with jar! **14.63**
